

# SANT'EGIDIO

## For parents/guardians of volunteers under 18

I give permission to my daughter/son \_\_\_\_\_  
to volunteer with the Community of Sant'Egidio UK Charitable Trust.

I understand that my daughter/son will be asked to adhere to the charity's policies and procedures during their volunteering time at the charity, and may be photographed during the events that the charity organises. The time which my daughter/son wants to dedicate to the charity will be at her/his discretion. If he/she would like to have their volunteering hours logged, he/she will have to keep a log book to be signed by one of the charity's leads both at the time of arrival and at the time of leaving.
